TESTIMONY

After a somewhat reserved start on Monday, the Tuesday and Wednesday of the event impressed us: The frequency of visitors at our exhibition stand was very high on these three days. Overall we were delighted with the good prevailing mood of the trade fair.

- MR. BHAVIN BHATIYA, PRAVIN MASALEWALE (SUHANA)

"2020 being our first year at SUMH, we were amazed with the quality of execution of the event and overwhelmed with the positive response we received from the visitors. I believe this is the best and biggest B2C forum for the trade fair industry in India and we look forward to the next one."

- BHADRESH D PATEL - LIC

"It is such a strong visual presence at the show site, that we have gotten many visitors and a lot of compliments on it. We are getting a lot of ROI on the booth. We are excited and very happy to be working with The Ideation Expo"

- MR. KALPESH SHAH, RAJ SYSTEMS
